

Getting a Job in Creative Industries: You, Your Skills, Your Portfolio

An Industry Orientation Workshop designed for students interested in careers in:

Media Arts * Graphic Design * Computer Science

Computer Applications & Office Technology * Geographic Information Systems

Learn the foundations of cultivating a picture of who you are that reflects who you want to become. It's time to take the first step of your new creative career - learn how to find the right work for you, and how to get the job you want.

WHAT DO I TAKE AWAY?

- ✓ Online blog documentation of your program deliverables
- ✓ A personalized career guide
- ✓ A job ready portfolio
- ✓ A skill certificate
- ✓ 21st Century Skills Badge

**FREE
WORKSHOP!**
