PHOTO 020 - News Photography (3 units)

If you love taking pictures for social media, it's time to see how your photos will look in print. Gain experience in taking photojournalistic pictures including news, sports and feature photos. Your photos may be published in the campus newspaper and website, and you'll even have a chance to become an editor. You'll learn editing, Photoshop and design skills. Emphasis is placed on real world experience, photo stories, digital technology and portfolio development.

Instructor: Jill Connelly
