

What is an ADT?

Pierce College now offers a new way to help you transfer to a California State University (CSU) campus. The simplified process allows students who earn an Associate Degree for Transfer (ADT) to attain guaranteed admission to the CSU system and priority consideration into your major or one deemed similar and enter as a junior.

What does an ADT require?

- ✓ Completion of 60 semester units that are eligible for transfer to the California State University, including both of the following:
 - ▶ The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - ▶ The major requirements of the degree. Students must earn a C or better in all courses required for the major. A “P” (Pass) grade is an acceptable grade for courses in the major.
- ✓ Minimum grade point average of 2.0

What are the benefits of an ADT?

- ✓ Guaranteed admission to the CSU system to earn a B.A. or B.S. degree
- ✓ Priority consideration for acceptance into your major (or one deemed similar)
- ✓ Transfer after completing only 60 units
- ✓ Enter the CSU system with junior standing

los angeles
Pierce COLLEGE
Where great futures begin

Start at Los Angeles Pierce College and finish with a bachelor's degree from a California State University (CSU) while saving time and money.

Earn an **Associate Degree for Transfer** at Los Angeles Pierce College and get priority consideration from a CSU campus of acceptance into your major or a program deemed similar. With an ADT, you are just 60 units away from your bachelor's degree.

Transfer to Chico, Dominguez Hills, Fullerton, Humboldt, Long Beach, Los Angeles, Monterey Bay, Northridge, Sacramento, San Diego, San Francisco, San Jose and San Marcos.

Why choose a degree in Film, Television, and Electronic Media?

Students pursuing a Film, Television, and Electronic Media degree learn critical thinking, communication and writing skills.

Graduates move on to have successful careers as directors, producers, critics, camera operators, screenwriters, broadcasters, agents, production managers, and lighting and sound designers.

Where do I start?

Review the available Pierce College Associate Degrees for Transfer on the Transfer Center website at www.piercecollege.edu/offices/transfer_center/

Make an appointment with a Pierce Counselor. Visit the Counseling Center in the Student Services Building, 1st Floor, or go to www.piercecollege.edu/offices/counseling_center.

The ADT only applies to CSU transfer students. If you are planning to attend a UC, please see a Counselor first and ask about UC transfer pathways.
